

Herr Perfekt

A MANFRED VON KARMA ZINE

hey everyone! just a quick thank you.

this was not an easy zine to host as we'd received a lot of trouble from many different platforms in many different ways, but that's not what's important here. what really matters is after seven months and three days of production, we are finally here to present the finished product of Herr Perfekt: a Manfred von Karma zine! i am so so so proud of everyone on this team for joining, and for making gorgeous pieces of artwork for our zine. the zine production team has come a long way, and i couldn't be more grateful for people helping me accomplish my dream project. even more so, i'm thankful for you downloading my dream project and looking at it! everyone worked so hard. i really hope you enjoy this zine as much as i did hosting it. thank you so much!
